

March 25, 2011

Dear Congenital Hyperinsulinism Community,

You are cordially invited to attend the Congenital Hyperinsulinism International (CHI) Endocrine Society Dinner Meeting on June 4, 2011 from 6:30-9:30 PM at the Seaport Hotel in Boston, Massachusetts. CHI is an organization dedicated to improving the lives of people living with Congenital Hyperinsulinism (HI).

Dinner guests will have an opportunity to speak informally on a range of topics with members of the CHI Scientific Advisory Group comprised of leading world specialists in the field of HI. Physicians and researchers will share information about their projects, research and practice. We would like to extend an invitation to the young adults in the family as well, and if we have a large enough group, we will create a special table for young adults.

- The Seaport Hotel, 1 Seaport Blvd, Boston, MA 02210
- 6:30 – 9:30 PM, June 4, 2011
- \$50 per person
- Parking is available at the hotel and in outdoor parking lots near the hotel

I am hoping you can join us in June. It will be a great opportunity to meet with leading professionals in the field, other HI parents and individuals with HI, and to become more involved with CHI and HI advocacy. Seating is limited so please fill out the attached form and send it in as soon as possible. As soon as I receive your form, I will send you an email confirmation. If you have any questions about the dinner meeting or CHI, please call or email me at 973-544-8372 or jraskin@congenitalhi.org.

I'm looking forward to seeing you in June.

Sincerely,

Julie Raskin
