Congenital Hyperinsulinism International (CHI) is a charitable organization dedicated to improving the lives of children, adults, and families living with congenital hyperinsulinism. Quoting directly from our incorporating documents:

The purposes of the corporation are to:

- i. Advocate on behalf of children and adults with congenital hyperinsulinism.
- ii. Create and provide educational resources about congenital hyperinsulinism to patients, families, medical professionals, school personnel, and any other interested parties.
- iii. Support research and development of medical knowledge and medical devices to better understand and treat congenital hyperinsulinism.
- iv. Support children, adults, and their families living with congenital hyperinsulinism.
- v. Increase awareness of congenital hyperinsulinism, especially among medical personnel, in order to improve timely diagnosis.

Become a member of CHI and receive:

- Opportunity to join a worldwide network of families and professionals in the quest to promote early diagnosis, access to specialists, and potential cures of this disease
- Email newsletters detailing the latest news on the organization, news articles, and news from the leading researchers in the field
- Family conference(s) educational materials

Our annual membership fees are \$25. Memberships run from January 1 through December 31 and are renewable on a yearly basis. New memberships will be pro-rated: the fee for membership after June 30 is \$20.00.
