

Joining MaxHIGR

This document provides a step-by-step guide to joining the MaxHIGR sub-study of the HI Global Registry. If you have any questions, please contact info@higlobalregistry.org.

1. Eligible Respondents will now see a green “More” button next to the participants names on the “Participant Enrollment” page, inviting you to join the sub-study.

Participant Enrollment

Welcome! You are in good company. There are currently **115** Participants in this registry.

1 of your participants is also eligible to join the **MaxHIGR** sub-study. Click on the **More** button to view a description of the sub-study. You v for your participant.

About MaxHIGR

About text will show here.

View & Grant Consent Opt Out at This Time

3. Once you have read through the consent agreement, you will see an option to confirm that you have read the agreement and that you agree with the terms of consent at the bottom of the page.

Do you confirm that you have read the Informed Consent Agreement?

[I Agree with the Terms of Consent](#) [Cancel without Agreeing to the Terms of Consent](#)

4. If you choose to consent, you will be emailed a copy of the Informed Consent document, and you will be able to participate in MaxHIGR.
5. Once you have consented, you will see the “MaxHIGR First Step” survey in your survey list. In this survey you can indicate if you plan on contacting your physician or if you would like HIGR staff to contact your HI physician on your behalf. Either way, the physician will return the form to you at which time you will upload the form into the “MaxHIGR Second Step” survey.
