

DARE TO DREAM OF A FUTURE WITHOUT LOWS

Collaborative Research Network Congenital Hyperinsulinism Priorities

Cristina Pindado

Congenital Hyperinsulinism Family Conference

September 16-18, 2022

NH Villa Carpegna, Rome, Italy

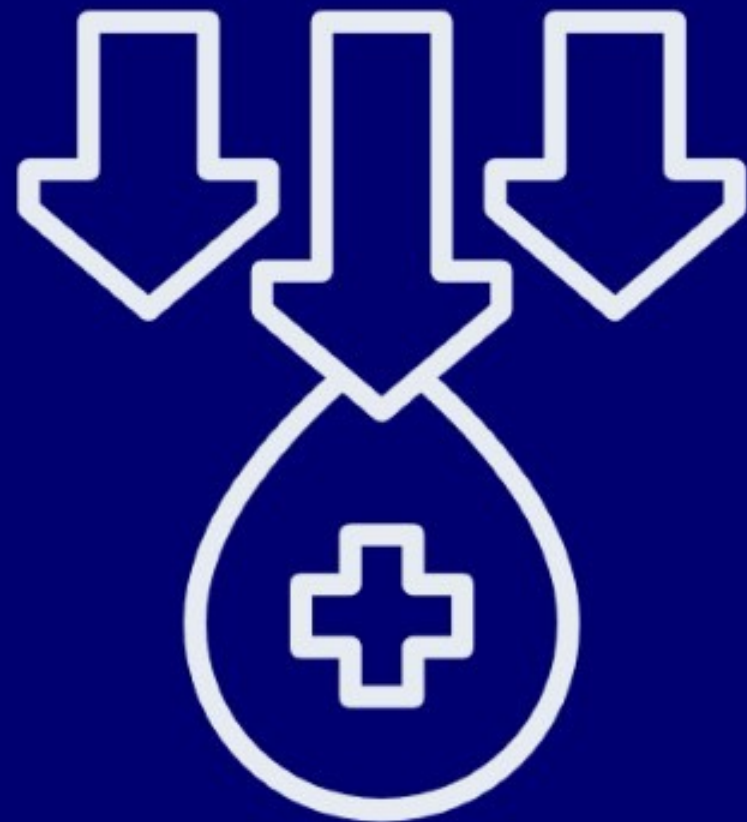

About Us

HIPERINSULINISMOCONGENITO.ORG IS AN ALLIANCE OF PEOPLE WHO ARE LIVING WITH OR ARE RELATED TO CONGENITAL HYPERINSULINISM (HI) IN SPANISH-SPEAKING COUNTRIES.

The mission of HiperinsulinismoCongenito.ORG is to be a common voice advocating for people living with this rare disease.

HiperinsulinismoCongenito.ORG is a group that unites both patients and friends and relatives and other collaborators who are aware of the problems derived from HI and recurrent hypoglycemia.

Ongoing Projects

HI BASIC ONLINE COURSE

Essential information,
low blood sugar, first aid
in hypoglycemia,
glycemic control

THE HIPPO HOUSE

Essential information
about hypoglycemia,
signs&symptoms,
learning by Playing

HI TRAININGS FOR SCHOOLS

Online resources for HI
management and emergency
situations in schools,
awareness, social
integration

COLLABORATIVE RESEARCH NETWORK PRIORITIES

MEDICAL TREATMENTS

Implementation of personalized medicine

CARE GUIDELINES

Continually evolving global care guidelines

DIAGNOSTICS

Identification and adoption of newborn screening approach, Glucose as a vital sign, A biomarker for hyperinsulinism

GLUCOSE MONITORING

Device technology for HI patients

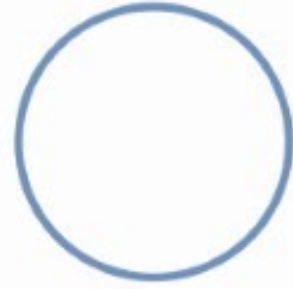

DARE TO DREAM OF A FUTURE WITHOUT LOWS

“*No one can whistle a symphony. It takes a whole orchestra to play it.*

H.E. LUCCOCK
